

# Maruzen Water Pressure Rice Washer

MRW-15

## Most economical!

1. All you have to do is to connect a tap with a pipe.
2. It is very easy to operate this rice washer.
3. This article is capable of standing in the small kitchen because it is very small
4. A water pressure rice washer keeps clean since it is made of stainless steel.

Model	External Dimension (mm)		Capacity per Wash	Feed-Water Inlet	Drain Outlet	Washing Time (m)	Weight (kgs)
	Diameter	Height
